Lowell Observatory is seeking Public Program Educators. Lowell Observatory’s Public Program department welcomes over 80,000 visitors per year. The Public Program Educator contributes to the Lowell visitor’s overall experience by providing them with exceptional educational programming, historic tours and telescope viewing experiences. The Public Program Educator reports to the Outreach Manager.

RESPONSIBILITIES

- Enjoy engaging and interacting with visitors
- Encourage visitors to become Lowell Observatory members
- Answer questions about astronomy, the Observatory and other areas of interest in Northern Arizona
- Stay up to date with astronomy-related news and events
- Engage visitors and provide security and maintenance in the exhibit hall
- Lead tours of the Lowell Observatory campus
- Deliver public lectures and Slipher Vision shows
- Operate public telescopes
- Lead outdoor stargazing programs
- Lead special preK-12 programs
- Check email, website, “Take 5” and other relevant resources daily in order to have complete understanding of public program-related activities going on at Lowell Observatory
- Attend monthly public program staff meetings
- Other duties as assigned which may include: leading tours of other Lowell facilities and assisting with design and delivery of new programs

QUALIFICATIONS AND EXPECTATIONS

- Excellent public speaking and interpersonal skills
- Must be outgoing, personable, energetic, and enthusiastic
- Weekend and evening hours required
- Ability to effectively manage large groups of diverse people
- Must be punctual, articulate, and present a professional image to the general public
- Applicants must pass a background check
EXPERIENCE AND EDUCATION

Degree or current program of study in astronomy or other scientific discipline is preferred. Public speaking experience in formal or informal settings preferred.

WORKING CONDITIONS

This position requires long periods of standing, walking, bending, stretching, reaching, climbing, and lifting (under 20 lbs).
