Overview
These activity-based, week-long day camps meet Monday through Friday from 9 a.m. to 3 p.m. with graduation and family activities on Friday evening. We will enroll campers based on the grade they will be entering in the fall. For example, if a child will be going into 1st or 2nd grade, they should enroll in the 1st/2nd grade camp.

Scholarships are available for those who demonstrate financial need. Visit our website for more information.

Extended Care will be offered from 7:30 a.m. to 9 a.m. and 3 p.m. to 5 p.m. for an additional fee. See website for details.

Programming

1st/2nd | Exploring the Moon
Campers will enjoy learning about the moon with fun activities like creating their own space suits, building Earth/Moon models, and constructing craters. Other activities will include hiking, drawing, playing games, and more.

3rd/4th | Discovering the Sun
Campers will build solar ovens and solar models and will safely observe the sun with telescopes and other devices. Other activities will include hiking, drawing, playing games, and more.

5th/6th | Lighting Our Way
Campers will construct spectrometers and participate in exciting activities designed to teach them about the electromagnetic spectrum. Other activities will include hiking, drawing, playing games, and more.
